

## Fish Passage and Restoration Permitting California Fish Passage Advisory Committee

25 March 2021, 10am–11:30am

The California Fish Passage Advisory Committee is hosting a webinar 25 March from 10am to 11:30am on Restoration Permitting. The webinar will include an overview of permitting tools, important elements of the California Department of Fish and Wildlife's Habitat Restoration Program and Enhancement Act (including best practices), and restoration permitting for large projects, and State Water Resources Control Board's Small Habitat Restoration Program. At the conclusion of the presentation, there will be time for questions and answers.

Expert presenters include:

- **Brad Henderson** – California Department of Fish and Wildlife
- **Jake Shannon** – North Coast Regional Water Quality Control Board
- **Madeleine Wieland** – California Department of Fish and Wildlife
